Warranty Terms and Conditions

For **PV Double Glass Modules**

by **GridParity AG**, located at Ohmstr. 7, 85757 Karlsfeld

GridParity AG warrants that, the GridParity modules you have purchased will have a performance guarantee of 30 years following deliver, according to the graph below.

In the event that GridParity module does not meet this performance guarantee, subject to the conditions set forth in these terms and conditions, GridParity AG's sole obligation will be, at its election, to replace the GridParity module in question or to refund the purchase price.

This guarantee will not apply to any GridParity modules that have been

- damaged by environmental catastrophe or weather damage as lightning, fire, water, etc.
- accident or abuse,
- neglected, altered, abused, or used for a purpose other than the purpose for which they were provided,
- repaired by you or any other party without GridParity AG's prior written authorization,
- used in conjunction with a third party module or modules not approved in advance by GridParity AG,
- operated or installed contrary to manufacturer module instructions,
- otherwise used in a manner inconsistent with any instructions provided by GridParity AG,
- any other event not foreseeable by GridParity AG.
